## WORK

**Designer, Web Designer and Front-End Developer - Verizon Connect international marketing team**

2017 - NOW

**Main responsibilities:** Designer, UX, Branding, Front-end Developer, Responsive landings, websites and newsletters. All kind of marketing and social images.

**Web Designer and Front-End Developer - Performance Sales**

2016

**Main responsibilities:** Web Designer, Front-end Developer, Responsive landings, websites and newsletters.

**Designer, Web Designer and Front-End Developer - Leads4sales**

2014 - 2015

**Main responsibilities:** Web Designer, Front-end Developer, Responsive landings, websites and newsletters.

**Designer, Web Designer and Front-End Developer - Manz**

2004 - 2014

**Main responsibilities:** Treasury and Invoicing 2004 to 2008, Designer, UX and branding, Building wireframes, mockups and UI elements, Front-end Developer, responsive landings, websites and newsletters.

**Designer, Web Designer and Front-End Developer - Freelancer**

2009 - NOW

Being an freelancer it's mean, not only a lot of self-motivation, commitment and discipline but also complementary abilities I had to master to stand out in a crowded market. Being a freelancer means wearing many different hats: from accounting and other administrative duties to marketing, business development, customer service... the list goes on.

**Other positive aspects gained by being my own boss:** Sharper communication skills and self-control, Sensibility to identify customer's real needs, Enhanced troubleshooting performance, Stronger entrepreneurial conduct.
